# Icon

Inspired by shapes in nature, our Franke Icon Semi-Pro Faucet is made to meet the standards of chefs and cooking enthusiasts while adding contemporary elegance to any kitchen environment. The perfect fusion of beauty and function.

## Dual Spray Performance & Laminar Aerator

High-positioned spray allows for greater flexibility when cleaning, while a dual spray performance featuring both a needle spray and laminar flow option, provides a powerful water stream making it easy to wash stubborn dirt off dishes.

A laminar aerator provides a crystal-clear, non-splash water stream ensuring a peaceful kitchen environment for you and guests.
